

# NEWEL POSTS AND WALL PLATES

**Newel Posts and Wall Plates :** Newel posts can be used as a support post for balustrading or as an end post on a set of steps. Wall plates are half sections used on a return verandah where it finishes on a wall.

CODE	DESCRIPTION	MATERIAL	CODE	DESCRIPTION	MATERIAL
AW001R	115mm "FEDERATION" WALL PLATE	TREATED PINE	AP008R	"TASMAN" HALF NEWEL POST	TREATED PINE
AW002R	90mm "CAMDEN" WALL PLATE	TREATED PINE	AP017R	"MORPHETT" NEWEL POST	TREATED PINE
AP007R	"TASMAN" NEWEL POST	TREATED PINE			

# POST MOULDS

**Post Moulds :** To be used on our 90mm verandah posts, the three moulds can be combined in a variety of different ways to give your post the finishing touch.
